- New jump height

(including jump height changes from trial to trial. For example, dog jumps 24" at one trial, then 26" in the next trial.)

Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate. MOVE-UPS

EMAILED MOVE-UPS: When emailing a move-up to us please just give the following information. TRIAL NAME, Owner Name, Dog Call Name, Move up for what days (Saturday, Sunday, etc.), Moving from, Moving to (PLEASE include STD, JWW or FAST) *Remember that you must send a **separate email** with the trial name in the subject line for **each trial move-up** or cancellation.*

MOVE-UP DEADLINES: Move-ups prior to a set of trials: Dogs can be moved up to a higher class at the request of the owner, as a result of qualifying for an agility title, provided that the request is made to the Trial Secretary not later than 6 pm on the Monday preceding the set of trials for trials starting on a Thursday-Sunday. For trials that start on Monday-Wednesday, move-ups preceding the set of trials shall be accepted if received by the Trial Secretary no later than seven (7) days prior to the trial (i.e., for a Tuesday trial move-up requests must be made prior to 6 pm on the previous Tuesday).

Day-to-Day Move-ups: the club is allowing day-to-day move-ups for the 2nd and subsequent days of the trial weekend, per Chapter 1, Section 20, the exhibitor is able show up at the trial site and request a move up in writing to the trial secretary not later than the day preceding the event and cannot be conveyed via fax, email, or verbally to the trial secretary.

NOVICE MOVE-UPS

Dogs or Handlers having attained ANY AKC Agility Title (Std, JWW, OR FAST class) **must be moved to the Nov B Classes** (Std, JWW and FAST classes). PLEASE LET US KNOW AS SOON AS YOU REALIZE THAT A CHANGE IS NEEDED. Once we print all the trial paperwork on Tuesday before the trial, it is a much bigger problem to fix. This request must be made in writing at least 30 minutes before the start of the trial. This request must state the reason and justification for the change from Novice A to Novice B. The dog can also be moved up a level (Nov to Open) at the request of the owner subject to the normal move-up criteria.

NOTES FROM TRIAL SECRETARY

1. Please remember to check the No Signature Required box AND sign that spot where you authorize them to deliver on any overnight package. My Post Office knows that we do not accept signature-required packages and will not even attempt to deliver them. They just mark them "Refused" and return to sender. So I never even know that you sent that package to me.
2. Remember that the Move-up Deadline for your first day of a weekend trial is ALWAYS **Monday at 6 pm**. Please send those move-ups in right away.
3. Please review the section about Move-ups as we have added more clarification about move-ups before and at the trials.
4. With all the paperwork we handle, mistakes are inevitable. We send out both Preliminary Confirmations and Final Confirmations. PLEASE read these and double check that all the information is correct. Having to change Gate boards, scribe sheets and computer records the day of the trial or the week of the trial is very difficult.
5. For Novice Exhibitors – please read the section on the move-up form or under Move-ups about when you need to change from Novice A to Novice B and also read the section under classes to determine whether you should enter Novice A or Novice B level classes.

ABOUT EMAILED MOVE-UPS & CORRESPONDENCE

When emailing a move-up to us please just give the following information on separate lines.

TRIAL NAME, Owner Name, Dog Call Name
Move up for what days (Saturday, Sunday, etc.)
Moving from (include STD, JWW or FAST)
Moving to (include STD, JWW or FAST)

*Remember that you must send a **separate email** with the trial name in the subject line for **each trial move-up** or cancellation. Each trial is a separate database so I do not know what other trials you are entered in.*

Emails sent to us regarding move-ups, cancellations, etc will be addressed on a priority basis. All correspondence will be processed within one week of receipt; however, those emails that pertain to the current trial will be processed before emails regarding trials that are scheduled for a later date.

We *always* send a reply email to all emailed cancellation requests when they are processed. We *always* send a reply email with a revised confirmation attached to all emailed move-up requests when they are processed.

If a response is NOT received before the above deadlines please email it again and **also** send a backup fax request. Only call me if the emailed and faxed requests do not get a timely reply. I cannot accept move-up request verbally. All move-up requests must be emailed, faxed, or mailed. My Fax number and phone number are always in the premium. ISP SPAM filters can cause non-delivery of emails. Just because you sent an email to cancel or to move-up – that does not mean that I have gotten it. If you do not get a reply - then it means we never got it.

Move-up deadlines are Mondays at 6:00 p.m. before the trial weekend
Cancellation and changes to class (except move-ups) deadline is **trial closing date and time (see premium)**. Please remember that Fast Times and the club are not responsible for emails that do not get delivered and therefore will not cancel an entry after the closing date and time or make a move-up after the move-up deadline due to non-delivery of an email *request*

Wait List for Withdrawn Entries after Closing

The trial is offering a Wait List to fill openings created by withdrawn entries after the trial's closing. A maximum number of entries will be placed on the wait list based on the entry limits as follows. If trial is one ring/330 runs, maximum will be 25 entries on the waitlist. If the trial is 2 rings/660, the maximum will be 50 dogs on the waitlist. If the trial is 3 ring/990, the maximum will be 75 runs on the waitlist. All entries, including wait listed entries, must be received by the Trial Secretary prior to the trial closing date. Any entries withdrawn that are received by the **Wednesday ONE WEEK BEFORE** the trial weekend @ 8 am will be replaced by a wait listed entry if any are available. If a withdrawn entry is replaced by a waitlisted entry, a refund will be issued for the withdrawn entry minus a \$5 processing fee. Any waitlisted entry that does not move off the wait list into the trial by **Wednesday @ 8 am ONE WEEK BEFORE** the trial weekend will receive a refund.

If there is no waitlist, then there is no refund if you want to pull after the closing date.

If you have not heard about your Wait List status by Friday before the trial weekend, contact us
ASAP.

Simplified Jump Height Card Process

When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog has a valid jump height card or if your dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the *Dogs To Be Measured List*. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.

How do I know if I have a valid jump height card?

If your dog is under the age of two years as of the trial's date: One (1) temporary measurement is required. Once measured, be sure to retain the Agility Measurement Form yellow. If your dog turns two years of age or is older as of the trial's date, your temporary measurement expires on their 2nd birthday and your dog needs to be measured.

If your dog is the age of two years or older as of the trial's date: A minimum of two (2) permanent measurements are required. If both permanent measurements place your dog into the same jump height class, the AKC office will issue you a permanent card. If not, then a third measurement is required to determine the dog's jump height class. Until such time that you have received all required measurements for a permanent jump height card, check the "My dog needs to be measured" box. Upon arrival at the trial, you must check to see if there is a Volunteer Measuring Official and/or an Agility Field Rep. present to perform official measurements. If not, and you possess a yellow copy of the Agility Measurement Form from a previous measurement, then your armband may be picked up during Check-In in lieu of being measured by the judge of record. Once you have received your permanent card from the AKC office, check the "My dog has a **Permanent Jump Height Card**" box on all future entry forms.

Exception to the 2 permanent measurement requirement: If your dog measures over 22 inches at the withers, you have the option of selecting the "Over 22" Request Perm" box at the top left corner of the Agility Measurement Form to receive a permanent jump height card from AKC after a single measurement. If you do so, please also sign below the checkbox. By doing so, you are giving up your right to have a 2nd measurement performed on your dog in the future; however, you are not

giving up your right to have the challenge measurement process performed in the future. Once you have received your permanent card from the AKC office, check the "My dog has a **Permanent Jump Height Card**" box on all future entry forms.

What if my dog measures into a different jump height then what he is entered?

If your dog has been measured by an AKC Field Representative or Volunteer Measuring Official (VMO) and is now eligible to jump in a lower height class, the measurement is effective immediately including any runs (regular or preferred class) which have not yet occurred on the same day that the measurement is recorded. This immediate action does not apply to measurements taken as part of completing the challenge measurement process. Dogs who measure into a higher jump height have always been required to be moved immediately.

May I challenge my dog's jump height card measurement?

Yes, each dog may go through the challenge process once after the age of two (2) years, if requested by the owner. (Any dogs under the age of two (2) years are also eligible for a challenge measurement.)

What is the jump height card challenge process?

The jump height card challenge process replicates the original measurement steps. A minimum of two (2) challenge measurements are required. If both challenge measurements place your dog into the same jump height class, then you will be issued a new permanent card from the AKC office. If the two challenge measurements place the dog in different jump height classes, then a third challenge measurement is required to determine the dog's jump height class.

Until such time that you have received all required challenge measurements, you must continue to compete at the original jump height stated on the permanent jump height card that is in your possession.

It is the sole responsibility of the exhibitor to have their original, official jump height card or temporary jump height form at each trial to present upon request. Additionally, if a measurement is necessary, it is the exhibitor's responsibility to have their dog measured prior to running. *Regulations for Agility Trials, Chapter 2, Section 4.*
