- Times listed are the earliest possible times that classes can start. If the published judge and ring are available prior to the listed start time and all exhibitors have checked-in and agree, the judge may start a class earlier than the class time listed in the judging program.
- Rally times listed are the earliest possible time that the walk-through, followed by judging for that class, will begin. Transfers for the Excellent and Advanced classes will be placed in jump-height order. Walkthroughs may be combined at the judge's discretion.
